RESIDENT'S OFFICE BANGALORE. Register No 1300 Date of Receipt 16/2/28 File No

Sir,

275 With reference to your endorsement No.991/247-1919, dated 30-1-28 forwarding a copy of letter No.2264/98, dated 23-1-1928 from the Residency Surgeon regarding the appointment of a substitute in place of Dr. Miss MacMurray, granted leave, I have the honour to offer the following remarks:-

1. It was stated in para 5 of your letter No.4249/18-1913, dated 12-5-27 to the Government of India that the scales of pay for Lady Assistant Surgeons in the Madras Presidency should be applied to the Lady Assistant Surgeons employed in the Government Hospitals in Bangalore. The scale of pay in Madras Presidency is Rs.200-15-350-20-450, to Lady Assistant Surgeons who have M.B., L.M.S., or other equivalent or higher qualifications. It is for the consideration of the Hon'ble the Resident whether the same qualifications should not be demanded of the Lady Doctor who is appointed to fill up the leave vacancy.

2. Dr. Miss. Collins is a Lady Apothecary in the scale of Rs.150-5-200-10-300 and is getting Rs.155/- She has not put in fifteen years' service.

2 A). If however the Hon'ble the Resident is pleased to appoint her to the vacancy, as a special case, she will have to pay the

Necessary

necessary rent for the quarters, furniture, and electric installation amounting to Rs.20/- plus Rs.16-15-0 plus Rs.2-5-0 or Rs.39-4-0 in all, unless the Government of India specially exempt her from such payment.

The Government of India memo No.5(5)-A, dated 28-12-1927 sanctions the exemption of the present incumbent of the appointment and will not apply to the Lady who may temporarily or permanently replace her.

3. Under Fundamental Rule 32 the pay that would be admissible to an officiating incumbent can only be Rs.200/- but may be fixed at any stage of the time scales with the sanction of the Government of India - Vide note under that Article. Rs.250/- is not however any of the stages of the scale, although the Govt. of India can sanction that pay as a special case.

4. The only reason assigned by the Residency Surgeon for giving Miss Collins a pay of Rs.250/- per mensem is that the residue of Rs.200/- after meeting the rent charges will be only Rs.8-1-0(in fact it will be only Rs.8-12-0) more than her present pay of Rs.155/-

If the Hon'ble the Resident is pleased, it seems to be a ground for recommending to the Government of India that Miss Collins may be exempted from the payment of rent for the period she acts for Dr. McMurray, but there appears to be hardly a case for recommending a pay of Rs.250/-.

I have the honour to be,
Sir

No. 20-1
267-1919

From

The Hon'ble Mr. L. H. Crump, C.I.E., I.C.S.,

Resident in Mysore.

To

The Political Secretary to the Government of India,

Foreign and Political Department.

Dated Bangaloro 19 March 1928.

EXEMPTION OF DR. MISS E. COLLINS, LADY DOCTOR, GOSHA HOSPITAL, BANGALORE, FROM PAYMENT OF RENT FOR QUARTERS, FURNITURE AND ELECTRIC INSTALLATION.

Sir,

I have the honour to refer to the Foreign and Political Department's Memorandum No.509-E, dated the 29th July 1927, in which the pay of the Lady Doctor of the Gosha Hospital, Civil and Military Station, Bangaloro, was changed from Rs.300-10-450 to Rs.200-15-350-20-450.

2. Dr. Miss M. I. McMurray, the permanent Lady Doctor, having been granted leave for eight months from the 8th March, 1928, Dr. Miss E. Collins of the Lady Curzon Hospital has been appointed to the vacancy. The latter was drawing Rs.155/- in the Lady Curzon Hospital and enjoyed the privilege of free furnished quarters. The Residency Surgeon represents that, if she is given only Rs.200/-, the minimum pay of the Lady Doctor in charge of the Gosha Hospital, her actual emoluments will only be Rs.160-12-0, after payment of rent for quarters, furniture and electric installation; in other words, she can draw only Rs.5/12/- per mensem more than what she was getting in the Lady Curzon Hospital, and this is not considered as an equitable amount for her additional responsibility in the Gosha Hospital. Accordingly the Residency Surgeon recommends that Dr. Miss E. Collins may either be exempted from payment of rent for quarters, furniture, etc or may be given a pay of Rs.250/- per mensem as a special case.

3. The Pay and Accounts Officer, Bangaloro, who was consulted

consulted in the matter states that the fact that the residue of Rs.200/- after meeting the rent charges will be only Rs.6/12/- more than what Dr. Miss Collins was getting in the Lady Curzon Hospital seems to be a ground for recommending to the Government of India that she may be exempted from the payment of rent but that the case does not call for a recommendation for a pay of Rs.250/-

4. In the circumstances stated above, I agree with the Pay and Accounts Officer and recommend that Dr. Miss Collins may be exempted from the payment of rent for quarters, furniture and electric installation for the period she acts for Dr. Miss McMurray
